Officers

A voluntary Coordinator, ideally from one of the major Range States or organizations/institutes with expertise on the subject matter of the Task Force, will be identified by the UNEP/AEWA Secretariat to oversee the operations of the Task Force in close cooperation with the Secretariat and the EGMP Data Centre.

Communication

The Task Force will mainly conduct its work electronically via the EGM IWG website and intranet as well as via email, Skype and other online communication platforms, as appropriate.

Meetings

No specific funds are allocated under the EGMP for the EGM IWG Task Forces. However, Task Forces are encouraged to have annual face-to-face meetings directly before the meetings of the EGM IWG. In addition, Task Force Coordinators and members are also encouraged to arrange face-to-face meetings if opportunities present themselves, for example in the margins of other international meetings or conferences.

Reporting

A brief report on the general progress of the Task Force (convening, membership, activities etc.) will be presented by the Coordinator via the UNEP/AEWA Secretariat to each meeting of the EGM IWG. This will include the presentation of any specific Task Force outputs, as requested by the EGM IWG.

Overall National Reports will be prepared by each EGMP Range State according to a format and reporting schedule agreed by the EGM IWG. Task Force members are requested to contribute to these National Reports regarding the implementation of activities relevant to the Task Force, as appropriate.
